SUMMARY

Hello! I'm Adnan, a Sophomore B.Tech CSE student with a deep passion for exploring the dynamic realm of cloud computing. My commitment to continuous learning is evident in my seamless blend of technical expertise with robust soft skills.

I thrive on being a problem solver, demonstrating a keen and rapid learning ability. Working effectively in teams is second nature to me, and I find inspiration in thriving under pressure, using each challenge as an opportunity for skill enhancement. My enthusiasm for a shared learning journey is fueled by my strong interest in cloud-based projects.

PROFESSIONAL EXPERIENCE

Organisation | SAMARTH Foundation

June 2023 - 29 July 2023

- Social Internship

TECHNICAL SKILLS

Programming C, Java
Design Photoshop, Canva, Adobe
Tools VSCode, Latex(Basic)

KEY COURSES UNDERTAKEN

Data Structure and Algorithm

- Basic knowledge of Pointers, Arrays, Linked List, Doubly Linked list, stack, queue.

Cloud Computing and Fundamentals

- Basic knowledge of cloud deployment models, cloud service models, Network and application virtualization, virtualization, hypervisor.

Design and Analysis of Algorithm

- Intermediate knowledge on Divide and conquer problem, Dynamic programming, greedy methods, Graph problems, Branch and bound, Backtracking

Object Oriented Programming Language

- Intermediate knowledge on Interfaces, packages, exception handling, strings, basic knowledge of threads, multi-threading, collections

Operating Systems

- Intermediate knowledge on deadlocks, semaphore, paging segmentation, CPU scheduling, disk scheduling, page replacement algorithms.

POSITIONS OF RESPONSIBILITY

Class Representative of 1st year

August 2022 - May 2023

University Of Petroleum And Energy Studies

Group Leader

June 2023 - 29th July 2023

SAMARTH

PROJECTS

- Deployment of Registration and login page using HTML and Java (Completed).
- In progress Cloud project on AWS (Ongoing).

ACHIEVEMENTS & CERTIFICATIONS

- Certificate of Social Internship from SAMARTH Foundation.
- Awarded Letter of Recommendation from SAMARTH Foundation for excellent performance during internship.
- Certificate of Completion for AWS Academy(Intro to Cloud Semester 1)
